Initiative by Petition No. 300

Shall a constitutional prohibition be created prohibiting ownership of Nebraska farm or ranch land by any corporation, domestic or foreign, which is not a Nebraska family farm corporation, or by any syndicate as defined, with certain exceptions? A family corporation would be defined in part as a corporation in which the majority of the stock is held by members of a family related to one another within the fourth degree of kindred or their spouses where at least one member of the family resides on the land and where none of the family members are nonresident aliens.
