Proposed by Initiative Measure 409

Shall the Nebraska Constitution be amended to: instruct Nebraska's members of Congress and state legislators to support passage and ratification of an amendment to the U.S. Constitution limiting U.S. Representatives to three terms and Senators to two terms; inform voters of the position of candidates to Congress and legislature on the specified congressional term limits by placing language on election ballots; and instruct state legislators to apply to Congress to convene an Article V Convention for the purpose of proposing an amendment to the U.S. Constitution to limit congressional terms? (Provisions severable.)

For	10045
Against	6251

Total 16296

Proposed by Initiative Measure 410

Shall the Nebraska Constitution be amended to provide that: petitions seeking to place proposed measures on the ballot for a vote of the people be signed by registered voters equaling ten percent of the votes cast for Governor at the most recent preceding general election if for a proposed constitutional amendment; seven percent if for enactment of a law; ten percent of such votes cast if seeking to suspend the effect of an act of the Legislature pending a vote of the people; and five percent of such votes cast if for a referendum on an act of the Legislature?

For	6858
Against	9185
Total	16043

Proposed by Initiative Measure 411

Shall the Nebraska Constitution be amended to provide that: "quality education" should be a fundamental constitutional right of each person; the "thorough and efficient education" of all persons between the ages of 5 and 21 in the common schools should be the "paramount duty" of the state; beginning with the 1998-1999 school year, the Legislature should establish a school finance system which provides for thorough education in efficiently operated public schools; and that for 1998-1999 each school district shall receive at least as much per pupil funding as in 1997-1998? (Provisions severable.)

For	4221
Against	14332
Total	18553

Proposed by Initiative Measure 412

Shall the Nebraska Constitution be amended, through severable provisions, to: create property tax levy limits for various governmental subdivisions which could be exceeded by a majority vote of the voters; authorize the Legislature to prescribe means to determine the fair market value of real property for property tax purposes; provide that the value of real property for such purposes may not exceed 80% of fair market value for agricultural or horticultural land or 100% of fair market value for other real property; and require the Legislature to establish standards of efficiency for delivery of local government services?
