Initiative Measure 424**

Shall the Nebraska Constitution be amended to prohibit the State, any public institution of higher education, political subdivision or government institution from discriminating against, or granting preferential treatment to, individuals or groups based upon race, sex, color, ethnicity, or national origin in operating public employment, education, or contracting? Existing court orders are not invalidated, bona fide qualifications based on sex reasonably necessary to normal operation of public employment, education or contracting, and actions necessary to obtain federal funds through federal programs are permitted. A cause of action for violation is created. The amendment applies to actions after its adoption.

operation of public employment, education or contracting, and actions necessary to obtain federal funds through federal programs would be permitted. A cause of action for violation would be created. The amendment would apply to actions after its adoption.

A vote "FOR" would amend the Nebraska Constitution to prohibit the State, any public institution of higher education, political subdivision or government institution from discriminating against, or granting preferential treatment to, individuals or groups based upon race, sex, color, ethnicity, or national origin in operating public employment, education, or contracting. Existing court orders are not invalidated under the amendment. Bona fide qualifications based on sex reasonably necessary to normal operation of public employment , education or contracting, and actions necessary to obtain federal funds through federal programs would be permitted. A cause of action for violation would be created. The amendment would apply to actions after its adoption.

For 9960

A vote "AGAINST" will not cause the Nebraska Constitution to be amended in such a manner.
